

## **Domino Chiropractic Pricing Update**

At Domino Chiropractic, our mission has always been to provide high-quality, results-driven care focused on pain relief, recovery, and long-term function. Over the past five years, our clinic has evolved significantly. From a single-provider practice into a comprehensive, full-body treatment facility offering advanced, integrative care.

This growth has included expanded treatment options, longer and more personalized sessions, and a broader scope of care that addresses multiple areas of the body in a single visit. Unlike many clinics that treat isolated concerns, our approach is designed to restore full-body function and optimize overall performance.

In addition, the cost of clinical supplies, equipment, and operational expenses has increased substantially over the past several years. Our previous pricing structure was originally established when services were more limited in scope and has remained unchanged for five years despite these changes.

To continue delivering the level of care, time, and attention our patients expect, we will be implementing an updated pricing structure.

**Effective Date: June 1, 2026**

**All appointments scheduled on or after this date will reflect the updated fees.**

### Updated Fee Schedule

- New Patient + Care: \$159
- Established Visit: \$79
- Pediatric/Student New Patient + Care: \$139
- Pediatric/Student Established Visit: \$69
- New Patient Adjustment Only: \$85
- Established Adjustment Only: \$45

### Scheduling & Office Policies

To maintain an efficient schedule and respect all patients' time:

- Cancellations can be made online or by calling our office
- A \$10 fee applies to no-show appointments without prior notice
- A \$10 walk-in fee applies for unscheduled same-day visits

We remain deeply grateful for the trust and support of our patients. Our commitment has not changed. We are here to help you move better, feel better, and live pain-free through thoughtful, effective care.

If you have any questions about these updates, please don't hesitate to reach out to our team.
